Organize

**2nd National Conference on Renewable
Energy, Photovoltaic Materials and
Devices 24**

NC-REPVMD 24
- LDERAS, BECHAR UNIVERSITY -

January 17 - 18, 2024

The **LDERAS** laboratory, in partnership with the Faculty of exact sciences, organizes the second national conference on Renewable Energy, Photovoltaic Materials and Devices. This conference aims to bring together academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Renewable Energy systems, Photovoltaic materials and Devices. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends and concerns as well as practical challenges encountered and solutions adopted in the fields of Renewable Energy systems, Photovoltaic materials and Devices.

The 2nd NC-REPVMD conference will include contributions by invited speakers, oral presentations (in presential or online) and posters sessions (only in presential). The organizing committee is also offering online participation to the event with virtual video presentation option. This event also offers space for companies to present their innovative products and services.

Topics:

- Hybrid Renewable Energy Systems
- Size Optimization and Energy Management
- PV Panels (Modeling, Simulation, Characterization and Realization)
- Silicon Materials Solar cells.
- High efficiency PV Solar cells (III-V, Multi-junctions, Concentration, ...)
- Thin Films.
- Organic and Perovskites Solar cells.
- New Materials and Concepts for Photovoltaic Devices

Important Conference Dates:

- ❑ Papers Submission closes: **November 30, 2023**
- ❑ Notification of acceptance: **December 30, 2023**
- ❑ The conference days: **January, 17 - 18, 2024**

Participation fees

- ❑ Teacher researchers **3.000 DA**
- ❑ Students and PhD students **1.500 DA**
- ❑ Industrial **15.000 DA**

The **presential registration fee**, for one person and one abstract, cover the conference program, the abstract CD, the briefcase, the admission to all scientific sessions, the access to the technical exhibition, the coffee breaks, and the lunch.

For submission method, send your prepared manuscript directly to the conference mailbox:
